Disclaimer: Although, the Piikani Nation GIS Department strives to provide the best data possible, the GIS data is subject to constant change and, therefore, its accuracy cannot be guaranteed. In addition, we also use GIS data sets developed by outside parties.

All users of our GIS data are strongly cautioned to verify all information contained on our maps before making any decisions. The GIS data is made available to the public solely for informational purposes only, and are not suitable for site specific decision making. The GIS data depicted by these maps are approximate, and are not necessarily accurate to surveying or engineering standards.

In no event shall the Piikani Nation become liable to users of the GIS data, or any other party, for any loss or damages, consequential or otherwise, including but not limited to time, money, or goodwill, arising from the use, operation or modification of the GIS data. In using the GIS data, users further agree to indemnify, defend, and hold harmless the Piikani Nation for any and all liability of any nature arising out of or resulting from the lack of accuracy or correctness of the GIS data, or the use of the GIS data.

Duplication of this material in whole or in part is strictly prohibited without the expressed written consent of the Piikani Nation Lands Department.

Geographic information provided on this document is void unless authorized and endorsed by appropriate Land Management personnel
